## REAL STORIES, REAL PEOPLE

Don't just take our word for it; hear what others have to say about What Works in Youth HIV.

We care about the people we help a lot...often at the cost of program implementation. What we have to realize is that both have the same goal."

Maranda - Washington, DC

We engage youth in our process to spread sexual health messages. They are savvy and put knowledge in their world using technology, music, dance, art."

Timothy - Los Angeles, CA
